SKILLS

AI Hiring Assistant:

Automates initial screening, saving time by identifying top candidates quickly.

Custom Candidate Scoring:

Tailors scoring to your needs, ensuring the best fit.

Blind Screening: Hides candidate details to promote unbiased hiring.

Candidate Summary Cards:

Provides at-a-glance comparisons for efficient decision-making.

AI Chat Filtering System:

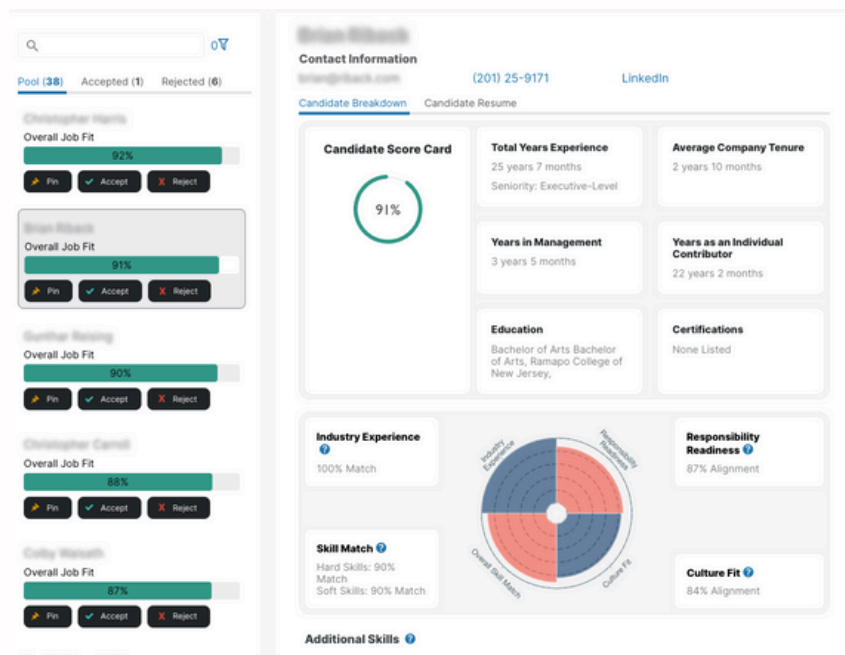

Helps sort, accept, reject, or pin candidates with ease.

JOINERY'S FREE BETA

Stop screening irrelevant resumes

Joinery is a cutting-edge AI resume screener. We specialize in identifying the best candidates from your applicants quickly to streamline your hiring efforts.

USER EXPERIENCE

WHAT IS THIS?

We're a bootstrapped company hoping to raise funds soon, and we need users and feedback to be successful. We saw you're hiring and thought this would be a fun way to get our product in front of you.

We hope we can help you find the best candidates and ideally bring a little fun to what can be an otherwise monotonous process.
